ACTIVITIES

You can engage in a little friendly competition over board or card games, listen to live music or join classes to boost both your mental and physical fitness. Our memory care residents also enjoy fun activities like chair exercises and beach ball toss, parties, painting and crafting classes, and music programs. These activities are part of a carefully designed program to help them flourish and use meaningful life skills and talents — even with advanced expressions of the disease.

ENJOY GREAT DINING EXPERIENCES

As a resident, you can enjoy delicious and nutritionally-balanced meals in our elegant dining room. Have a suggestion? Join our weekly menu chats where you can provide feedback and even recommend family recipes. We also use mealtime to create a sense of belonging for our memory care residents. Your loved one will enjoy dementia-friendly menus with familiar and easy-to-manage selections and small dining rooms with consistent pre-selected seating.
